

The St. Louis Classic Rock Preservation Society is co-sponsoring the concert.

Concert proceeds will benefit Historic Sappington House in Crestwood. The home was constructed over 213 years ago with clay bricks produced onsite by pioneer Thomas Sappington. Open to the public as a museum since its restoration in 1966, "this fine old house" needs extensive repairs.

But that is only the start! **Historic Sappington House Park hopes to soon feature TWO houses!** Thomas' and cousin **Joseph Sappington's LOG house built in 1816.** The Sappington House Foundation has increased our fundraising efforts because not only do we need to prepare the **log structure to provide expanded educational, exhibit and event spaces, we must first move it to the park from five miles away!**

Come join us for a Beatles concert presented for a good cause! **Mystery gift boxes and 50/50 raffle** tickets will be on sale. **The Barn restaurant onsite** will be offering **food and drink** to buy during the concert. Bring your own **lawn chairs.** **Parking** available at Crestwood Elementary School and south of the pond in the overflow lot off Reco Avenue. Phone 314-822-8171 for more information.
