**Historic Saint Louis presents “Painting a Summertime Past”** *Garden and Home Open House*

*“All gardening is landscape painting.”*

Enjoy summer beauty in our formal flower and herb gardens as well as tour our historic home. Dramatic recitations will be performed in the parlour. Anne Williams will recite Shakespearean sonnets in the morning, and Tom Poelker will portray Benjamin Franklin in the afternoon.

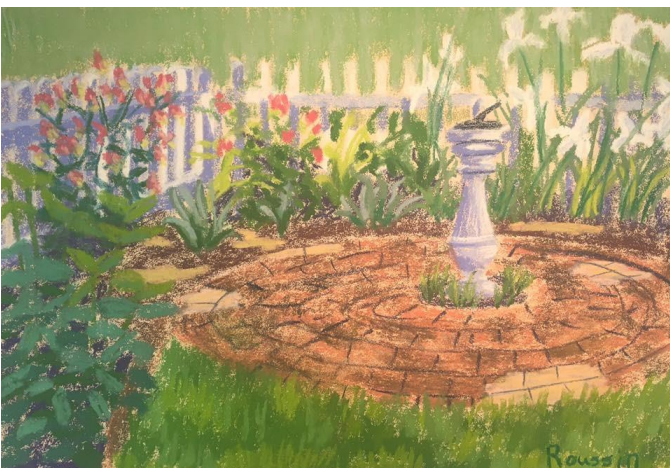

Our lovely green grounds are awaiting families, perhaps for picnicking. You can choose from a free exchange of seeds harvested from our autumn gardens. We also will offer plants for sale.

Plein air artists will join us in the park, sketching their nature observations on paper.
